After teaching two years at Farmerville Elementary School, Tammy Miller is now teaching first grade at UCA. She has her certification to teach grades 1 – 8.

She and her husband, Wade, have two children – Austin, age 5 and Abby, 4½ months. They attend Quigley Holiness Church, where Tammy is the leader of children's church.

Tammy's favorite things about UCA are the Christian caring atmosphere, loving staff and caring parents. She enjoys teaching because she loves to see the joy on the children's face when they get it and she loves to see how they respond to Christ.

VOLLEYBALL NEWS

The Lady Lions ended their volleyball season on a good note. Although they lost the match against Camden Christian (and a close one, at that), they really had a great game and the fans definitely got their money's worth! We saw great bumps, super sets, and a few really good spikes. That's right, and they're only beginning! Not to mention all the good serves.

I don't know about you, but I'm already excited about what we will see next year. They have done such a great job and really worked hard all season. I'm so proud of each of them! Thank you, ladies, for being so teachable and so good to work with. Thank you for doing your best. I couldn't have asked for a better group of girls to coach. You have certainly brought glory to God by your attitudes and dedication.

A special thanks to Amanda McDowell for helping with the team. She really brought a lot to the team, including a great enthusiasm! Thank you to all the wonderful parents and the many ways you have helped. This could not have come together so well without you! You guys are great! It's been a lot of fun, and I think you for the opportunity to be a part of it.

In Him,
Coach Sparks

ANSWERED PRAYER!

Six-month old Avery LaRoe (sister of Hunter – K5) went to the Children's Hospital in Little Rock on October 4 and the doctor could not find the blockage in her left kidney that they were looking for. We went there expecting to have surgery and the doctor could not find ANY problems with her kidneys!! We had all the previous test results with us and they had NO explanation! GOD IS SO GOOD AND WE GIVE HIM ALL THE PRAISE! Thanks for all the prayers and support through this time.

Brandon and Priscilla LaRoe
